MANAGEMENT DISCUSSION AND ANALYSIS

Industry structure and development

Your company operates in the bearing industry and the major user industries of Bearings are automobiles, general engineering, electrical equipment etc. Bearing is the backbone of the automotive and other sector and largely used. The market segmentation of demand is approximately 60% from original equipment manufacturers (OEM) and the balance coming from the replacement market/exports. The demand for roller bearings has grown and reflecting overall sluggishness in industrial activity. Roller bearings have wide ranging applications and are critical to industrial progress. As Indian industry develops demand for bearings is expected to grow both in quantitative as well as qualitative terms towards bearing solutions that are efficient and support productivity.

Rapid industrialization and economic growth is expected to result in increasing demand for personal transportation and also increase in demand for other automotive and engineering products. The market advancement in automotive segment will lead to demand for higher technology components.

In this economic scenario, Deccan Bearings Limited remained committed to meet the demands of the external challenges and continued to focus on building its competitive edge and delivered the best performance.

OPPORTUNITIES AND THREATS

The long term prospects for Indian economy remains bright owing to the growth of internal consumption driven by the country's demographic dividend, rapid urbanization, growth of manufacturing and infrastructure development. In the short term, with revival of business confidence coupled with positive actions on reforms, infrastructure and inclusive growth by the government, the economy is likely to develop positively. The government's call for 'Make in India' has sent out positive cues to the global investor's community. This augurs well for the domestic manufacturing sector and will aid economic activities in the country. Focused spending on future growth projects is likely to pave way for a sustainable demand led recovery. The evolution of the market now increasingly demands efficient and integrated solutions from the manufacturers, paving way for delivering high performance solutions that achieve high energy and resource efficiency, improved reliability and productivity from all assets deployed. The manufacturing sector will play a decisive role in redefining and transforming the nation's future. The overall business sentiments in the country have turned positive after the election of a stable government at the centre, however it is imperative to translate this sentiments into actions to create real gains for the economy. All programs must be implemented with desired speed to continue attracting capital investments and drive growth. Persistent inflation and continued high interest rates could slow the consumption and dampen the hopes of a smooth demand-led recovery. Any shortfall in skilling of the emerging young population and preparing them to be employable could dampen the growth. Coupled with these, the volatility in currency can adversely impact the steel price which is a significant input commodity to manufacture your Company's products. The shortage of appropriately skilled labour across many industries is emerging as a significant and complex challenge to the country's growth and future. Your Company's fundamental strength lies in its ability to continuously develop technologies, products and services that enhance competitive advantages for its customers. Your Company continues to achieve this by both investing in core technology areas and by combining the knowledge.

DECCAN BEARINGS LIMITED

ANNUAL REPORT 2016-2017

Segment wise Performance

Your Company has a single reportable segment of ball and roller bearings as the primary business segment for the purpose of AS-17. The assets and liabilities of the Company are all expended towards this business segment.

Risk Management System

Risk Management System Like any other ongoing business, your Company is exposed to a large number of potential risks that can adversely affect its business. Your Company has established comprehensive Risk Management System to ensure that risks to the Company's continued existence as a going concern and to its development are identified and addressed on timely basis. Consciously dealing with identified risks and regularly monitoring risk factors increases risk awareness and ensures continuing improvement. Management identifies and evaluates - especially such risks which could jeopardise continued existence or development at an early stage and defines and implements measures to control these risks. The Risk Management System consists of multi phased process. Initially, all risks are identified by different departments and functions as bottom up approach. These risks are then analyzed and evaluated by the Company's management team before these are reported to the Board of Directors. Risks are classified in different categories such as financial risk, operational risk, legal risk and strategic risk. These risks are then classified and quantified depending on probability of occurrence and the extent of potential damage. This analytical approach clearly leads to categorisation of risks as follows:-

1. **Material Risk:** Risk with high probability and high negative impact on net assets, financial position and earnings.
2. **Significant Risk:** Risk with medium probability and medium negative impact on net assets, financial position and earnings.

Internal Control Systems and Adequacy

Based on the nature of the business and size of operations the Company has in place adequate systems of internal control and documented procedures covering all financial and operating functions. These controls have been designed to provide for:

- Accurate recording of transactions with internal checks and prompt reporting
- Safeguarding assets from unauthorized use or losses
- Compliance with applicable statutes, and adherence to management instructions & policies
- Effective management of working capital
- Monitoring economy and efficiency of operations

Processes are also in place for formulating and reviewing annual and long term business plans and for preparation and monitoring of annual budgets for all operating plants and the service functions.

A reputed external audit firm carries out periodical audits at all plants and of all functions and brings out deviations from laid down procedures. The audit firm independently tests the design, adequacy and operating effectiveness of the internal control system to provide a credible assurance to the Audit Committee. The observations arising out of audit are reviewed, in the first instance by the respective HODs and plant/functional heads and compliance is ensured. Further corrective action plans are drawn up to build business processes which will eliminate repetition of deviations. Business risks are managed through cross functional involvement, facilitated by internal audit and the results of the assessment are presented to senior management.

DECCAN BEARINGS LIMITED
ANNUAL REPORT 2016-2017

The Audit Committee reviews the recommendations for improvement of the business processes and the status of implementation of the agreed action plan.

Human Resource and Industrial Relations

Overall relations with the workmen at all plants have been cordial during the year and the Company has contained its employee costs, benefiting from the wage settlements which have linked incentive payments to increase in overall production volumes (net of rework) and reduction in rejection rates.

We continuously aim to provide career development and growth opportunities to our people through our Talent Management Process. It provides dual opportunities for people to grow in the managerial and technical capabilities aligned with their career aspirations. We continuously encourage our people to broaden their horizons and fulfill their potential via a wide and varied range of learning and development opportunities be it class room, on the job or experiential.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF DECCAN BEARINGS LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of **DECCAN BEARINGS LIMITED** ('the Company'), which comprise the Balance Sheet as at March 31, 2017, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, as applicable. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of these financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under and the Order under Section 143(11) of the Act.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so

DECCAN BEARINGS LIMITED
ANNUAL REPORT 2016-2017

required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2017, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law relating to preparation of the financial statements have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of these financial statements.
- (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, as applicable.
- (e) On the basis of the written representations received from the Directors as on March 31, 2017, taken on record by the Board of Directors, none of the Directors is disqualified as on March 31, 2017 from being appointed as a Director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in 'Annexure A'. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- (g) With respect to the other matters to be included in the Independent Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which required to be transferred by the Company to the Investor Education and Protection Fund.
 - iv. The Company has provided disclosures in its financial statements as to holding as well as dealing in Specified Bank Notes during the period 8th November, 2016 to 30th December, 2016 and the same in accordance with books of accounts maintained by the company.

2. As required by the Companies (Auditor's Report) Order, 2016 ('the Order') issued by the Central Government in terms of Section 143(11) of the Act, we give in 'Annexure B' a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure 'A' to the Independent Auditor's Report of even date on financial statements of Deccan Bearings Limited.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. We have audited the internal financial controls over financial reporting of Deccan Bearings Limited ('the Company') as of 31 March 2017 in conjunction with our audit of financial statements of the Company for the year ended on that date.

Management's Responsibility for the Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI').
3. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

4. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note'), to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI.
5. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.
6. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

DECCAN BEARINGS LIMITED
ANNUAL REPORT 2016-2017

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting.

8. An entity's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. An entity's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the entity; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the entity are being made only in accordance with authorisations of management and directors of the entity; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the entity's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting.

9. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

10. In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.
