#### MANAGEMENT DISCUSSION AND ANALYSIS

#### **Industry structure and development**

Your company operates in the bearing industry and the major user industries of Bearings are automobiles, general engineering, electrical equipment etc. Bearing is the backbone of the automotive and other sector and largely used. The market segmentation of demand is approximately 60% from original equipment manufacturers (OEM) and the balance coming from the replacement market/exports. The demand for roller bearings has grown and reflecting overall sluggishness in industrial activity. Roller bearings have wide ranging applications and are critical to industrial progress. As Indian industry develops demand for bearings is expected to grow both in quantitative as well as qualitative terms towards bearing solutions that are efficient and support productivity.

Rapid industrialization and economic growth is expected to result in increasing demand for personal transportation and also increase in demand for other automotive and engineering product even in the after sales market. The market advancement in automotive segment will lead to demand for higher technology components.

In this economic scenario, Deccan Bearings Limited remained committed to meet the demands of the external challenges and continued to deliver the best performance.

#### **OPPORTUNITIES AND THREATS**

The long term prospects for Indian economy remains bright owing to the growth of internal consumption driven by the country's demographic dividend, rapid urbanization, growth of manufacturing and infrastructure development. However, in the short term, the Government's progressive steps like demonetization as well as the introduction of G.S.T has resulted in slowing down of the economic activities. Also the banking reforms have resulted in the exposure of the high NPAs of the Public Sector banks in particular, and there is consequential impact on the liquidity availability in the economy. As a result of these measures, there is more transparency in Business as well as ease in doing Business. A whole new philosophy of doing business is emerging, and the conventional methods and policies will have to change to give way to new solutions in the new emerging challenges in the new environment of doing Business. The management of your Company is working on new modules of doing Business which will replace the old systems and methods, to remain competitive, as well as to ensure better long term financial results in the Company.

#### Segment wise Performance

Your Company has a single reportable segment of ball and roller bearings as the primary business segment for the purpose of AS-17. The assets and liabilities of the Company are all expended towards this business segment.

#### Risk Management System

Risk Management System Like any other ongoing business, your Company is exposed to a large number of potential risks that can adversely affect its business. Your Company has established

comprehensive Risk Management System to ensure that risks to the Company's continued existence as a going concern and to its development are identified and addressed on timely basis. Consciously dealing with identified risks and regularly monitoring risk factors increases risk awareness and ensures continuing improvement. Management identifies and evaluates especially such risks which could jeopardise continued existence or development at an early stage and defines and implements measures to control these risks. The Risk Management System consists of multi phased process. Initially, all risks are identified by different departments and functions as bottom up approach. These risks are then analyzed and evaluated by the Company's management team before these are reported to the Board of Directors. Risks are classified in different categories such as financial risk, operational risk, legal risk and strategic risk. These risks are then classified and quantified depending on probability of occurrence and the extent of potential damage. This analytical approach clearly leads to categorisation of risks as follows:-

- 1. Material Risk: Risk with high probability and high negative impact on net assets, financial position and earnings.
- 2. Significant Risk: Risk with medium probability and medium negative impact on net assets, financial position and earnings.

#### **Internal Control Systems and Adequacy**

Based on the nature of the business and size of operations the Company has in place adequate systems of internal control and documented procedures covering all financial and operating functions. These controls have been designed to provide for:

- Accurate recording of transactions with internal checks and prompt reporting
- Safeguarding assets from unauthorized use or losses
- Compliance with applicable statutes, and adherence to management instructions & policies
- Effective management of working capital
- Monitoring economy and efficiency of operations

Processes are also in place for formulating and reviewing annual and long term business plans and for preparation and monitoring of annual budgets for all operating plants and the service functions.

A reputed external audit firm carries out periodical audits at all plants and of all functions and brings out deviations from laid down procedures. The audit firm independently tests the design, adequacy and operating effectiveness of the internal control system to provide a credible assurance to the Audit Committee. The observations arising out of audit are reviewed, in the first instance by the respective HODs and plant/functional heads and compliance is ensured. Further corrective action plans are drawn up to build business processes which will eliminate repetition of deviations. Business risks are managed through cross functional involvement, facilitated by internal audit and the results of the assessment are presented to senior management.

The Audit Committee reviews the recommendations for improvement of the business processes and the status of implementation of the agreed action plan.

#### **Human Resource and Industrial Relations**

Overall relations with the workmen at all plants have been cordial during the year and the Company has contained its employee costs, benefiting from the wage settlements which have linked incentive payments to increase in overall production volumes (net of rework) and reduction in rejection rates.

We continuously aim to provide career development and growth opportunities to our people through our Talent Management Process. It provides dual opportunities for people to grow in the managerial and technical capabilities aligned with their career aspirations. We continuously encourage our people to broaden their horizons and fulfill their potential via a wide and varied range of learning and development opportunities be it class room, on the job or experiential.

#### **Cautionary Statement**

Statements in this Management Discussion and Analysis describing the Company's objectives, projections, estimates and expectations may constitute 'forward looking statements' within the meaning of applicable laws and regulations.

Actual results may differ materially from those either expressed or implied.

#### INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF DECCAN BEARINGS LIMITED

#### Report on the Indian Accounting Standards (Ind AS) Financial Statements

We have audited the accompanying Ind AS financial statements of DECCAN BEARINGS LIMITED ('the Company'), which comprise the Balance Sheet as at 31st March, 2018 and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

#### Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditors' Responsibility

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under and the Order under Section 143(11) of the Act.

We conducted our audit of the Ind AS Financial Statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

#### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the financial position of the Company as at 31st March, 2018, and its financial performance including other comprehensive income, its cash flows and the changes in the equity for the year ended on that date.

#### Report on Other Legal and Regulatory Requirements

- 1. As required by The Companies (Auditor's Report) Order, 2016 ('the Order'), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure 'A', a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Annexure 'B' to the Independent Auditor's Report of even date on Ind AS financial statements of Deccan Bearings Limited.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of Deccan Bearings Limited ('the Company') as of 31st March, 2018 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

#### Management's Responsibility for the Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI').

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') and the Standards on Auditing as specified under section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India.

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls Over Financial Reporting.

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the entity's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls Over Financial Reporting.

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2018 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Road, Fort, Mumbai – 400 001. The Company's shares are listed on BSE Limited (Bombay Stock Exchange). The Company is engaged in trading bearings.

#### 2. SIGNIFICANT ACCOUNTING POLICIES:

#### 2.1 BASIS OF PREPARATION:

The financial Statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified pursuant to section 133 of the Companies Act, 2013 ('the Act'), read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

For all periods upto and including the year ended 31st March, 2017, the Company prepared its financial statements in accordance with the accounting standards notified under Section 133 of the Act, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Previous GAPP). These financial statements for the year ended 31st March, 2018 are first such financial statements of the Company prepared in accordance with Ind AS. The transition date is 1st April, 2017.

The accounting policies adopted in the preparation of these financial statements are consistent for all the periods presented, including the preparation of the Opening Ind AS Balance Sheet as at 1st April, 2017 being the beginning of the earliest period for which the Company has presents full comparative information under Ind AS.

#### 2.2 CURRENT AND NON CURRENT CLASSIFICATION:

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Act. Based on the nature of the products and the time between acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its normal operating cycle as twelve months for the purpose of current or non-current classification of the assets and liabilities.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

#### 2.3 SIGNIFICANT ACCOUNTING JUGEMENTS, ESTIMATES AND ASSUMTIONS:

The preparation of the financial statements in conformity with Ind AS requires management to make estimates and assumptions that affect the reported amounts of revenue, expenses, assets and liabilities. Actual results could differ from those estimates.

Estimates and judgments are reviewed on an ongoing basis. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstance. Revisions to accounting estimates are recognized in the period in which the estimates are revised and future periods are affected.

#### NOTES TO IND AS FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2018

The key assumptions concerning the future and other key sources of estimating uncertainty at the reporting date, that have a significant risk of causing a material adjustments to the carrying amounts of assets and liabilities within the next financial year, are described below

#### a. Impairment of Property, Plant and Equipment (PPE)

The evaluation of applicability of indicators of impairment of assets requires assessment of external factors (significant decline in asset's value, significant changes in the technological, market, economic or legal environment, market interest rates etc.) and internal factors (obsolescence or physical damage of an asset, poor economic performance the asset etc.) which could result in significant change in recoverable amount of the PPE.

#### b. Determination of the estimated useful lives

Useful lives of all PPE are based on the estimation done by the Management which is in line with the useful lives as prescribed in part 'C' of Schedule II to the Act.

#### c. Current and deferred taxes

Significant management judgment is required to determine the amount of current and deferred taxes that can be recognized, based upon the likely timing and the level of future taxable profit together with future tax planning strategies.

#### 2.4 PROPERTY, PLANT AND EQUPMET:

Fixed Assets are stated at Cost except for Land, Factory Building, Plant & Machinery, Staff quarters which were revalued as on 31st March, 1996, and Plant & Machinery again revalued as on 31st March, 2003, are stated at the value as determined by the approved valuers.

#### 2.5 DEPRECIATION / AMORTIZATION:

Depreciation on Fixed Assets is provided on straight line method. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013.

#### 2.6 IMPAIRMENT:

The carrying amount of PPE are reviewed at each balance sheet date to determine if there is any indication of impairment based on internal/external factors. Assessment of indication of impairment of an asset is made at the year end. An impairment loss is recognized whenever the carrying amount of as asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the Company measures its 'value in use' on basis of estimated discounted cash flow of projections based on current prices.

After impairment, depreciation is provided on the revised carrying amount of the assets over its remaining useful life.

#### NOTES TO IND AS FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2018

#### **27 FINANCIAL RISK MANAGEMENT:**

The Company has exposure to the following risks arising from financial instruments:

- . Market risk
- . Liquidity risk
- . Credit risk

In the course of its business, the Company is exposed primarily to aforesaid risks, which may impact the fair value of its financial instruments. The Company has risk management system which not only covers the foreign exchange risk but also other risks associated with the financial assets and liabilities such as credit risks. The risk management strategy is approved by Board of Directors which is implemented by the Company's management. The risk management framework aims to create a stable business planning environment by reducing the impact of market related risks, credit risks and currency fluctuations on the Company's earnings. The risks identified through the risk management system are analysed and evaluated by the Company's management and reported to the Board of Directors periodically along with report of planned mitigation measures.

#### A) Market Risk:

Market risk is the risk of any loss in future earnings, in realizable fair values or in future cash flows that may result from a change in the price of financial instrument, liquidity and other market changes. Future specific market movements cannot be normally predicted with reasonable accuracy.

#### B) Liquidity Risk:

The Company's principal sources of liquidity are cash and cash equivalents and cash flow generated from operations. The Company regularly monitors actual cash flows and forecast to ensure that the Company maintains sufficient liquidity to meet the operation needs.

#### C) Credit Risk:

Credit risk is the unexpected loss in financial instruments if the counter parties fail to discharge its contractual obligations in entirely and timely. The Company is exposed to credit risks arising from its operating and financing activities such as trade receivable, loans and advances and other financial instruments. The carrying amounts of financial assets represent the maximum credit exposure.

#### Trade Receivables:

Credit risk on trade receivables is limited due to the Company's diversified customer base.

#### **Other Financial Assets:**

The Company does not have significant credit risk from loans and advances given.

#### NOTES TO IND AS FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2018

#### 28 EXPLANATION OF TRANSITION TO IND AS

As stated in Notes 2.1, these are the Company's first financial statements prepared in accordance with Ind AS. For the year ended 31st March, 2017, the Company has prepared its financial statements in accordance with Companies (Accounting Standards) Rules, 2006, notified under Section 133 of the Act and other relevant provisions of the Act ('Previous GAAP').

The accounting policies set out in Note 2 have been applied in preparing these financial statements for the year ended 31st March, 2018 including the comparative information for the year ended 31st March, 2017 and opening Ind AS balance sheet as on the date of transition i.e. 1st April, 2017.

In preparing the Company's Ind AS balance sheet as at 1st April, 2016 and in presenting the comparative information for the year ended 31st March, 2017, the Company has adjusted amounts reported previously in financial statements prepared in accordance with Previous GAPP. This note explains the principal adjustments made by the Company in restating its Previous GAAP financial statements, and how the transition from Previous GAAP to Ind AS has affected the Company's financial position, financial performance and cash flows.

#### A) Exemptions Availed:

Ind AS 101- "First-time Adoption of Indian Accounting Standards" allows first-time adopter certain optional/mandatory exemptions. The Company has accordingly availed the following exemptions:

- 1. The estimates as at 1st April, 2016 and 31st March, 2017, are consistent with those made for the same dates in accordance with Previous GAAP (after adjustments to reflect any differences in accounting policies) apart from the following item where application of Previous GAAP did not require estimation:
  - -Impairment of financial assets based on expected credit loss model.

#### B) Reconciliation between previously reported Previous GAAP and Ind AS

Ind AS 101 requires an entity to reconcile equity, total comprehensive income and cash flow for prior periods. The following tables represent the reconciliation from Previous GAAP to Ind AS:
